

Partners for Inclusive Communities — Who We Are and What We Do

Partners' mission

is inclusion of people with disabilities in community life.

Partners offers:

- Professional development and educational opportunities
- Accessibility information in community, health-care and educational settings
- Resources on specific topics (disabilities, autism, violence prevention, health, transition, substance abuse, diversity, inclusion, English language learners, language interpreters, etc.)
- Technical assistance to agencies, educators, families and service providers
- Needs assessments through focus groups and community meetings

Check our website for a list of current projects and additional information.

What People Say About Us:

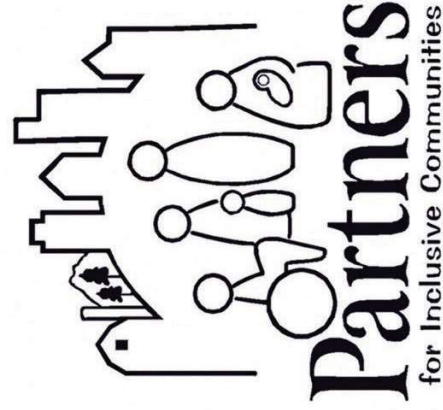

"Partners is a wonderful resource for information and training. I can't wait to see what is planned next!"

"This information really opened my eyes to the need to make our community programs more accessible."

"I plan to incorporate the workshop activities in my classroom so the children understand that we are all different and it's OK."

"Thank you for providing training and programs in my community."

"I love the emphasis on developing natural family and community supports."
