

NDD on Social Media

As another way to get our message out to policy makers and the public alike, hopefully all signers will post about this letter on Facebook and Twitter. On Twitter, please use the hashtag **#NDDUnited**. Remember, these tweets are helpful to not only mobilize your network but to gain the attention of policy makers as they see their Twitter handles appear in our tweets.

Included below are sample tweets and templates for national, state, and local groups to use:

Feel free to use these to post to your own Facebook pages and to the pages of members of Congress. With Facebook, there is obviously no character limit so you're welcome to expand and take out the abbreviations. For a complete list of members and their Twitter handles as well as other social media accounts, please see these [House](#) & [Senate](#) lists. The number of signees per state is included below.

For those relatively new to Twitter, this great [Twitter 101 Guide](#) from the folks at Half in Ten/Center for American Progress is recommended. If you have any questions feel free to contact Jared Solomon at 202-657-0679 or jareds@firstfocus.net.
